Agricultural Commodities (Pulses & Legumes)

Premium Indian Pulses for Global Markets

We supply high-quality pulses sourced from trusted farms, machine-cleaned, sortexed, and packed to export standards.

Quality Highlights:

- Uniform grading & purity
- Moisture-controlled storage
- Export-grade packaging

Products Include:

- Chickpeas (Kabuli & Desi)
- Black Gram (Urad)
- Pigeon Peas (Toor)
- Red Lentils (Masoor)
- Green Peas

Spices – The Authentic Taste of India

Our spices are known for their rich aroma, natural oils, and high potency. Carefully processed to preserve freshness and flavor.

Products Include:

- Turmeric (Finger & Powder)
- Dry Red Chillies & Chilli Powder
- Cumin Seeds & Powder
- Coriander Seeds & Powder
- Fenugreek Seeds & Powder

Quality Highlights:

- High curcumin & oil content
- No additives or adulteration
- Machine-cleaned & tested

Food Grains, Beverage Crops & Processed Foods

A diversified product portfolio designed to meet global food and beverage demand.

Food Grains

- Long Grain Rice
- Medium Grain Rice

Beverage Crops

- Arabica Coffee – Smooth & aromatic
- Robusta Coffee – Strong & bold

Processed Foods

- Makhana (Fox Nuts) – Gluten-free superfood

Packaging

- Retail & bulk packaging
- Custom & private labeling available

Vegetables & Fruits

We supply farm-fresh fruits and vegetables sourced directly from trusted growers, carefully sorted, graded, and packed to maintain freshness during export.

Our produce is handled under controlled conditions to ensure quality, hygiene, and extended shelf life for international markets.

Vegetables

- Onion
- Green Chilli
- Garlic
- Ginger

Highlights:

- Freshly harvested & hygienically processed
- Strong flavor and natural quality
- Export-grade sorting & packaging
- Suitable for bulk and retail supply

Fruits
